Open Ended Feedback By Question

What aspects of this course were most beneficial to you?

Comments
Scala Language Concepts.
good
i clear my all doubts and i have more knowledge in particular course and help me to clear my topics, although now my concepts are clear and advance knowledge gain by this course.
java concepts syntaxes and semantics
everything
Learning how write programs in Lox and Scala.

What suggestions do you have that could help improve the course?

Comments
No need For that.
excellent no suggestions
i already improve my knowledge by this course.
The course is extremely fast paced and the course load is too much, the assignments were very hard and the grading criteria extremely strict.
nothing
nothing
Maybe try to get the homework's graded sooner.

Other comments?

Comments
Professor has good command in this Subject.
excellent
none

What are the major strengths and weaknesses of the instructor?

Comments
I did not see any cons for the Faculty.
iam very enjoy in his class and frendily professor
Instructor is very friendly and help me a lot to achieve my goals.
The major strength of Prof Riely is that he is well versed about the subject and is very knowledgeable. His weakness would be that he is not able to clearly convey his ideas and explain the course.
no weaknesses
The instructor is good there is no weakness
Major strength was being able to answer questions on time and provide us with tests in Java to ensure program output is correct. Also being more fair in terms of curving the grades.

Do you have comments on the grading procedures and exams?

Comments
no.
no
I hope that the exams wouldn't be too difficult and that the grading procedure more lenient as the syllabus was very tough.
no
no
None
